Separate land and building contracts. Bundle price excludes costs associated with land purchase (e.g. legal fees, stamp duty, property searches etc.) Prices are based on standard site costs/basix/work cover requirements. Images shown may depict fixtures, finishes & features not supplied by Martin Project Homes, or included in shown price, as they are for illustrative purposes only. Refer to our standard inclusions list for build inclusions. Optional upgrade packages are available at additional costs. Depicted facade may incur additional charges.
